**\$ 425,000**

**MLS# 20-8619**

**3 Bedrooms . 3.5 Bathrooms . 2,496 Sqft**

A unique home with European feel on a large, level lot in a traditional and desirable neighborhood. Very private with mature trees on a quiet cul-de-sac. Light streams in from all sides. Listen to Chester creek babbling by while relaxing on the deck or from the open windows. It's like living in tree house. A lovely welcoming entryway and open living area with vaulted ceiling.
